Individual mark: (/20)

This mark will be the average of the marks given to you by each of your group members based on your contribution to the group project overall.

20..... This person has taken initiative, shown leadership, and has contributed to the group project to the best of his/her ability in the time given.

15..... This person has contributed well to the group project.

10..... This person has contributed to the project but could have put in more effort and time into the group's overall success.

5 This person has contributed little to the project and did not make good use of the time given.

0 Wait a minute... he/she was in my group?
